

Great Place To Work® and Fortune Name Chiesi Group No. 23 in 2024 World's Best Workplaces™ List

- Chiesi is the only European pharmaceutical company and the first Italian company ever to be included in the World's Best Workplaces™
- The accolade reflects Chiesi's dedication to people's well-being, continuous improvement, and creating a positive work environment
- Chiesi was also recently ranked in the Best Workplaces in Europe™ 2024, Best Workplaces for Women™ in Greater China, and UK's Best Workplaces in BioPharma™, among others

Manchester, UK, 18th November 2024 – Chiesi Group, an international biopharmaceutical company focused on research, has been **named one of the 25 [World's Best Workplaces™ in 2024](#)** by Great Place To Work® (GPTW) and Fortune magazine, ranking 23rd on this year's list.

The news marks the first time any European pharmaceutical company has achieved the accolade by the global authority on workplace culture. Headquartered in Parma, Italy, Chiesi has 31 offices worldwide and employs over 7,000 people. In the UK, the Chiesi headquarters is in Manchester, with a research and development facility also in Chippenham.

"Chiesi aims to be more than just a place of work, we want to be a community where growth, innovation and collaboration thrive," said **Kate Lenik, Senior Director, HR & Support Services, UK**. *"Our success is a collective achievement, built on the dedication and talent of every individual who is part of our team."*

Great Place To Work®, and Fortune's annual list, selects 25 global organisations that participated in Great Place To Work's employee survey process, with 7.4 million responses received, representing 20 million employees worldwide. To be considered for the list, companies must be identified as outstanding global employers with recognition on at least five Best Workplaces™ lists in Asia, Europe, Latin America, Africa, North America, or Australia during 2023 or early 2024.

"We are immensely proud to be the only European pharmaceutical company included in the World's Best Workplaces™ rankings. Being part of such a selective global list of only 25 companies is a source of huge motivation for continuous improvement." said **Giuseppe Accogli, Chief Executive Officer, Chiesi Group**. *"This placement stems from our firm commitment to our people's well-being, as it reflects their direct feedback and contribution in shaping Chiesi into a place where we all enjoy working. I believe this accolade will further increase our sense of pride and belonging to a company fully dedicated to serving patients around the world in everything we do."*

In addition to this latest recognition, in 2024 Chiesi was also ranked as one of the top 10 Best Workplaces in Europe™. In the UK specifically, Chiesi has been recognised for over a decade in employer and workplace culture awards being named as a UK Great Place to Work™, UK Best Workplace for Wellbeing, UK Best Workplace for Women and Menopause Friendly Employer.

About the *Fortune* World's Best Workplaces™

Great Place To Work selected the World's Best Workplaces by gathering and analysing more than 7.4 million confidential survey responses, representing the experiences of 20 million employees worldwide at [Great Place To Work Certified](#) organisations.

Organisations are assessed on their efforts to create great workplaces and positively impact people and communities across multiple countries around the world. Companies must have appeared on at least five Best Workplaces lists in Asia, Europe, Latin America, Africa, North America, or Australia during 2023 or early 2024, and have at least 5,000 employees worldwide, with 40% outside of its headquartered country. [Read the full methodology](#). To be considered, all companies use the [Great Place To Work Trust Index™ survey](#).

About Chiesi Group

Chiesi is research-oriented international biopharmaceutical group that develops and markets innovative therapeutic solutions in respiratory health, rare diseases, and specialty care. The company's mission is to improve people's quality of life and act responsibly towards both the community and the environment.

By changing its legal status to a Benefit Corporation in Italy, the US, and France, Chiesi's commitment to creating shared value for society as a whole is legally binding and central to company-wide decision-making. As a certified B Corp since 2019, we're part of a global community of businesses that meet high standards of social and environmental impact. The company aims to reach Net-Zero greenhouse gases (GHG) emissions by 2035.

With over 85 years of experience, Chiesi is headquartered in Parma (Italy), with 31 affiliates worldwide, and counts more than 7,000 employees. The Group's research and development centre in Parma works alongside 6 other important R&D hubs in France, the US, Canada, China, the UK, and Sweden.
